Please remember to continue to book your places at a service as we need to ensure we can keep you all safe.

We also continue to observe strict social distancing and wearing of face coverings in all our buildings.

As lock down restrictions are gradually lifting please can you be mindful that some of you may feel safe without face coverings and a reduction in social distancing; however we need to respect and care for those who are not comfortable with this.

We politely request that the use of hand gel continues to be used before and during the service.

We are considering the possibility of singing in churches; however if this is to happen there will be a requirement to wear a face covering, in line with deanery practice.
